Dear Mr. Partin:

Enclosed is a completed "Application to the City of Fort Wayne, Indiana for Designation of Property As An 'Economic Revitalization Area' as requested by your office. This filing requires some explanation which I will detail for you at this time.

During the first quarter of the calendar year 1985, Edy's Grand Ice Cream was preparing to make a final determination on the location of our Midwest plan. Certain commitments were made to Edy's at that time as explained in a March 5, 1985 letter from Kathy Moses, Assistant Director, Department of Economic Development, to Paul Woodland, Vice President, Finance and Administration, Edy's/Dreyer's Grand Ice Cream. Let me quote points #2 and #3 in that letter:

2. & 3. Tax Abatement (See attached forms)

City Council must declare your property as an "Economic Revitalization Area" which will then make you eligible for a 5 year partial abatement on newly installed manufacturing equipment and a 10 year partial abatement on improvements to real estate. Appropriate forms must then be completed with the Allen County Auditor before March 1, 1986. There should be absolutely no problem here and City Council will approve your designation in April.

Through oversight on the part of Edy's Grand Ice Cream, the Application for Designation of Property as an Economic Revitalization Area was never completed and filed with the Economic Development Department, therefore, the City Council never approved the designation. In 1986, I filed two forms with the Allen County Auditor along with the March 1, 1986 property tax returns:

1. Application for Deduction from Assessed Valuation of Structures in Economic Revitalization Areas (State Form 18379)
2. Application for Deduction from Assessed Valuation - New Manufacturing Equipment in Economic Revitalization Area (State Form 1935682)

I filed these forms with the belief that a resolution had already been passed by the City Council granting Edy's the designation

Mr. Dan Turner from the State Board of Tax Commissioners office requested from me a copy of the City Council resolution. I contacted Kathy Moses and learned at that time that Edy's had not filed the application and that no resolution has been passed. She advised me to file the application with the Economic Development Department and her replacement at the Department would work with us to determine if the effective date of the tax abatement could remain the same given the late filing and resolution approval. This is where the situation remains at this point.

Enclosed along with this application is a copy of the Form 11 (Legal Description of the Property) as well as a \$50 check required by your department. I will keep in close contact with you on this matter. If you need any additional information, please do not hesitate to contact me at (219) 483-3102.

Thank you very much for help and cooperation in this matter.

Best regards,
